

Dear Editor,

I refer to the article by Alex Mitchell (Hatz should knuckle down and find a job, June 27).

The column, which contained no sources or quotes, is wholly without truth.

For the record, I already have a job and one I am committed to fulfilling as a member of the Keneally Government. I have made no approaches, received no rebuffs and have no intention in doing otherwise.

Yours faithfully,

John Hatzistergos MLC  
Attorney General
